Enrollment Details

- Enrollment (ADM) is the most critical factor in determining the district budget
- ADM decline of 569 or 8.3% over the past seven years
- CGESD student capture rate in 2000 was 97%, compared to 76% as of 2017-2018
- Opportunity exists for marketing to improve capture rate to attract new and retain current students
- Potential new commerce in area should increase student age population which could generate increased enrollment
