vol•un•teer

It's a person who changes a child's life forever

Experience Corps Volunteers - people age 50 and older - help children in kindergarten through third grade learn to read. By volunteering as a reading tutor, you can help change a child's future. You provide the life experience. We'll provide the training and support.

Learn more about opportunities with AARP Experience Corps Pinal-Casa Grande by visiting our website: <https://achievepinal.com/aarp-program.html>
