

The federal government funds this free child meal program. We must ensure meals are going to children ages 18 and under. If you bring all your children with you to pick up meals, no further action is needed.

If you are unable to bring all children receiving meals with you, this meal card form must be completed and returned to Nutrition Services staff. We will then issue you a meal card that must be presented every day to pick up meals.

Beginning Monday, April 27th, either children must be present or a meal card must be shown in order to pick up meals.
